Mr. Noordally launched his finance career with the International Accounting and Auditing firm, Messrs. PricewaterhouseCoopers (PwC) in 1998

He then joined Grant Thornton Mauritius in February 2011. From senior auditor to senior manager responsible for the firm's African clients, he worked in many African countries including Rwanda, Burundi, Mozambique, Ghana, Madagascar and South Africa on numerous financial, operational, management and strategic audit.

Mr Noordally is a Board Member of the Rwanda Stock Exchange and BK General Insurance (where he is the chairman of the audit committee and member of the company's investment committee)

Mr Noordally holds a bachelor degree in Accounting and Finance from the University of Mauritius. He holds a Masters degree in Economics from SOAS University of London, a Masters degree in Law (LLM – capital and financial markets law) with distinction from Queen Mary University of London. He is also a qualified accountant – FCCA. He is completing CFA.

Mr Noordally

*Chief Executive Officer
CDH Capital Ltd*

His main responsibilities are dealing with all material matters relating to implementing the bank's strategy, monitoring performance and considering policies and approving significant transactions within its mandate. He leads a management team consisting of finance specialist and IT Accounting professionals that are driven to make CDH a leading financial institution by prudently managing the assets of the bank and that of its clients to provide adequate return to investors.

Shehzad has more than 22 years working in the financial sector – including commercial banks, central banks, and international financial services, among others. He was part of the team to set up an International Financial Sector in Ghana.

Mr. Emmanuel Rugamba Mutabaruka

*Chief Operation Officer
of CDH Capital Ltd*

Mr. Emmanuel Rugamba Mutabaruka is the COO of CDH Capital. He graduated from the University of Rwanda with a Degree in Information Technology. He joined CDH in 2012. Emmanuel has been instrumental in laying down the operational framework for the company's growth. He looks at all operational and administrative issues. He is also an excellent Relationship Driven person who has developed very good relationship with our clients in the financial sector in Rwanda. He is an innovation driven person. He has set up the bond and the equity trading desk and run them pro-actively. Emmanuel is the first person in Rwanda to have developed in house a comprehensive Securities Trading and Investment Management Software to manage clients' funds.

Emmanuel is completing an MBA with specialization in capital market products

Mr. Vedaste Tuyishime

Chief Investment and Business Development Officer

Mr. Vedaste Tuyishime is the Chief Investment Officer and also combines the responsibility of Business Development Officer. He holds a degree in Statistics from the University of Rwanda. His statistical and mathematical background bring a different dimension in investment management and trading in the company's daily activities. His main focus is financial mathematics. Vedaste is highly critical of existing systems and bring new ideas as to how to enhance clients' experience with CDH. He also has excellent client relationship which has been one of the main reasons our company has a significantly good reputation with all institutional clients in Rwanda.

Vedaste is completing an MBA with specialization in Financial Economics.

Miss Dorca Kabike

Chief Finance Officer

Miss Dorca Kabike is the CFO. She graduated with a degree in finance from Mount Kenya University. Dorcas looks after all the company's financial transactions and is responsible for timely preparation of management and end of year accounts. She is dedicated to her profession. She expects to qualify as a CPA in 2020.

OUR PARTNERS

We believe that a strong team is crucial to answer our clients' financial needs. This is why we have teamed up with the best Investment Firms in the region to offer the best services to our clients.

CDH INVESTMENT BANK LTD – MALAWI

INVESTMENT BANK

CDH Investment Bank (CDHIB) is a leading investment bank in Malawi. It opened for business on 2nd April 2012 following the successful conversion from Continental Discount House Limited (CDH) which had operated in the financial sector for 14 years since August 1998.

CDHIB's unique service proposition is investment banking and corporate financial advisory service to its clients in a way not offered in the Malawi financial sector. It is a deposit-taking investment bank out of which it makes loans and advances.

We offer personalized financial services to clients who wish to grow their business. Our point of differentiation lies in our commitment to an on-going client-adviser relationship and delivery of tailor-made financial solutions that are unique in the Malawian financial services sector.

CDHIB is a subsidiary of Continental Holdings Limited, a fast growing financial services group. Other companies within the group include Continental Asset Management Limited, Continental Asset Management Nominees Limited, Continental Capital Limited, Continental Properties Limited and CDH Capital Rwanda

AG CAPITAL LTD – KENYA

agcapitalke.com. Based in Nairobi. 0722-204654. agupta@agcapitalke.com.

INVESTMENT BANKING

We provide specialized, well researched financial advice and services to a wide range of clients confronted with complex financial challenges, including corporations, financial institutions, government institutions, non-governmental organizations and individuals. Our market leadership in investment banking is defined by a combination of determination and commitment to create value for our clients. We have strong research capabilities in the market, capable of delivering unique solutions to our clients.

OUR TRACK RECORD

Our team including our partners have executed high-value, high-impact investment banking transactions in Rwanda and in Africa.

Our experience cuts across

1. project finance
2. equity issues
3. restructurings
4. debt issues

CDH was mandated to raise Rwf 5 billion Commercial Paper for Horizon Group in 2018. This was successfully carried out as well as the following roll over.

CDH was also mandated to be the Lead Advisor of Sonarwa General Insurance and Sonarwa Life Insurance in 2016 for financial restructuring.

On the equity front, our Holding Company CDH Investment Bank Malawi (CDHIB) were the mandated lead arrangers in an equity issue transaction involving NBS Bank Limited and International Finance Corporation (IFC).

We also led an equity issue transaction which facilitated the successful conversion of CDH from a discount house to an investment bank. Our team recently closed a high-impact equity restructuring transaction which was done through a court approved scheme of arrangement. CDHIB is the only investment bank to have closed two delisting transactions in Malawi.

OUR Investment Banking team is consolidated by our regional partner, AG Capital, led by the best Investment Banker in Kenya, Mr Amish Gupta.

Amish Gupta, CEO and owner of AG Capital.

- (j) Aviation Pension Fund

SECURITIES

The most commonly traded securities in Rwanda are public listed common shares and government and private sector bonds. Private fixed income is also traded Over the Counter (OTC) for private bonds and other fixed income securities such as Commercial Papers and Government IOUs.

CDH is the leader in equity and fixed income securities with more than 125 million equity shares traded in 2020. Bonds traded by CDH average 20 billion per annum. Trades are carried out for institutional, corporate and individual shareholders.

Our securities services include the following for our clients:

- We act as brokers to execute client orders to buy or sell on the Rwanda Stock Exchange (RSE) and Nairobi Stock Exchange (NSE)
- We act as broker-dealer for our clients and trade on our own account and for our clients. This helps in creating liquidity in the market for our clients
- We allow our clients to benefit from Arbitrage Opportunities that allow them to benefit from price differences in markets for equities and bonds
- We also provide Prime Services to hedge funds and institutional clients, including prime brokerage, start-up services, capital introductions, securities clearing, hedge fund administration, synthetics and innovative financing solutions.

Our Equity Desk uses in-house research as well as third party research, offerings and other products and services to meet the needs of clients including mutual funds, investment advisors, banks, pension funds, hedge funds, insurance companies and other global financial institutions.

Our Sales trading team links sales and position trading. Sales traders are responsible for managing the order flow between our client and the marketplace and provide clients with research, trading ideas and capital commitments and identify trends in the marketplace in order to obtain the best and most effective execution.

Our Trading Desk executes client and proprietary orders and makes markets in listed and over-the-counter (OTC) cash securities, exchange-traded funds and programs, providing liquidity to the market through both capital commitments and risk management.

RESEARCH

Our equity and fixed-income businesses are supported by the in-house and third party research. Equity research uses in-depth analytical frameworks, proprietary methodologies and data sources to analyze companies listed on the RSE and NSE. We provide macroeconomic insights into this constantly changing environment.
